POSITIONING STATEMENT:

Liquid BioCell™ PET is made with the award-winning super nutraceutical Liquid BioCell™, and the multi-patented power of Collagen/HA Matrix™ Technology. It is so remarkable, it has been awarded 7 U.S. and international patents.

The natural Liquid BioCell™ ingredient provides an advantageous source of natural collagen type II, chondroitin sulfate and hyaluronic acid to active and senior pets, to invigorate their diet and support lifestyles of all ages.

Exclusive to Modere® and formulated with Collagen/HA Matrix Technology™, the advanced liquid delivery system helps nourish and hydrate pets – inside and out!

DIRECTIONS/USAGE:

As a supplement for cats and dogs. Feed directly, with food or favourite treats. Consult your veterinarian provider prior to use if your animal is pregnant or has any medical condition. Keep lid tightly closed and keep out of reach of children. Do not use if the safety seal is broken. Store in a cool, dry place away from sunlight.

Refrigerate after opening.

Not intended for human consumption.

KEY INGREDIENTS:

- *Liquid BioCell™*
